

2016

INDIA

WILDLIFE SAFARI

In February 2016 we are offering a safari to India dedicated to seeing the best wildlife that is found on the sub-continent. This itinerary evolves from over 20 years of our clients visiting these locations and is timed to permit a rewarding game-viewing experience.

This is a small group tour (with a minimum number of six participants, and a maximum number of twelve) and it will be led by Dennis Jones who has been travelling to India for forty years. Dennis has travelled to most major wildlife reserves in India and has chosen the best for this tour. (His photographic work has appeared in numerous Lonely Planet publications on India, he has authored Wildlife Brochures for India Tourism and his images have appeared in numerous publications around the world)

3 days at Gir Forest with the only Asiatic Lions left in the wild

3 days on the Rann of Kutch – home of the Wild Ass
and at a time when bird migrations peak

3 days at Kanha National Park – equal best tiger reserve
for sightings in the past 20 years

3 days at Bandhavgarh National Park
– the other best reserve for tiger sightings

3 days at Kaziranga National Park – Indian Rhino population
over 2,400 + India's largest concentration of wild elephants

Join us on this unique itinerary - it is not being offered elsewhere, or in conjunction with any other operator.

Departure is on the 4th February 2016, returning to Sydney on the 25th February
